INSPECTION

Immediately following close of entries, each entry will be inspected by the inspection committee for lameness, fitness to compete, and females in season.

All dogs to be inspected must be presented WITHOUT TAPE, BANDAGES or WRAPPING, COVERINGS of any kind. (coats, blankets, etc.) If, in the opinion of the inspection committee, any entry is found to be lame, unfit to compete or in season, they shall not be allowed to test, and the applicable entry fees shall be refunded.

ROLL CALL AND PRE-TEST BRIEFING

All entrants will assemble in a designated location in order for the Field Committee to confirm those entered in the test are present. Entrants should respond with "Here" when they hear their dogs' names called. At this time, test procedures will be explained, and any questions answered.

RUNNING YOUR DOG

It is recommended that dogs be handled with a "slip-lead" that gives instantaneous freedom to the dog when the "Tallyho" (release) signal is called by the Huntmaster. *The Host Club will have slip leads for you to borrow. Please ask.*

Dogs may wear any collar except a choker collar, a collar with prongs or an electronic training collar. The collar should be snug to minimize the chances of getting hung up on something during the run. Owners should be aware that tags hanging from the collar could be required to be secured to the collar to help prevent their being entangled on something during the run. Owners may use clips or rubber bands to hold the dog's hair. The owner assumes responsibility for the safety of the dog with regard to the dog's collar and paraphernalia on the dog.

?? WHAT'S IT ALL ABOUT ??

WHAT IS THE PURPOSE OF THE AKC COURSING ABILITY TEST?

The Fast CAT Test is a timed 100 yard dash for dogs. It is meant to be fun and healthy activity of interest to any dog owner. The following is a summary of how the event is structured. How Does Fast CAT Work?

1. Fast CAT is a timed straight race of 100 yards.
2. Dogs run singularly.
3. The dog's time to complete the 100 yard dash is converted into MPHs.
4. A handicap system is applied to a dog's MPH to determine the number of points earned. The handicap system is based on the height of the dog at its withers: • 18" or greater = handicap is 1.0. • 12" up to less than 18" = handicap is 1.5. • Below 12" = handicap is 2.0.
5. Points = MPH multiplied by the dog's handicap
6. Fast CAT titles suffix titles are earned at designated milestones: • BCAT = 150 points • DCAT = 500 points • FCAT = 1,000 points • FCAT# = every additional 500 points
7. Top 20 by Breed by Year: The AKC Fast CAT website will feature the Top 20 Fastest Dogs by Breed by Year national standings. The standings will be updated as event results are processed. Eligibility to Participate
8. Open to all dogs at least 12 months of age that are individually registered/listed with the AKC. This includes dogs recorded in the FSS program, dogs with PAL numbers or dogs enrolled in the AKC Canine Partners program. Females in season may not enter. A dog may enter only once per event. (An event is defined by an event number.)
9. An inspection committee shall inspect each entry for lameness, fitness to compete and females in season. If necessary, the inspection committee is responsible for measuring dogs to determine their height at the withers

Facilities

The pasture field has limited amenities or shade available. Please ensure the comfort of you and your dogs by bringing your own portable shade/shelter and water.

Portable restrooms are available.

This event is on dog show grounds. There is food vending.

For the safety of the dog and as a courtesy to other entrants, a testing dog should have a reliable recall. A penalty of \$10.00 may be assessed for any dog causing an excessive delay of the event because it cannot be recalled or retrieved from the field. Dogs that delay the event because they cannot be recalled by their owners may be refused entry at future events.

The Huntmaster is responsible for field safety and therefore he/she is in complete charge of all dogs and handlers on the field. In service to this responsibility, he/she has the authority to stop the lure in any potentially dangerous situation and signal the handler to retrieve a testing dog. Listen to the Huntmaster and follow his/her instructions promptly and swiftly.

Any decisions made by the event's officiating judge(s) regarding the performance of an entered dog shall be final. Full discretionary power is given to the judge(s) to withhold any and all qualifications for lack of merit. The Judge(s) is responsible for ensuring compliance with the AKC Regulations on the field.

Exhibitors should follow their veterinarian's recommendation to assure their dogs are free of internal and external parasites, any communicable diseases and have appropriate vaccinations.

Coursing is an athletic activity that can tax a dog's physical strength. Dogs that are overweight and/or out of condition may be at greater risk for injury and exhaustion. The Inspection Committee has the authority to disallow a dog's entry into a test, and in such instances, applicable entry fees will be refunded.

General

No entry fees will be refunded if the event cannot be started or completed by reason of riots, civil disturbances, fire, extreme and/or dangerous weather conditions, an Act of God, public emergency, act of a public enemy, strikes or any other cause beyond the control of the Club or its members and representatives.

A penalty of \$5.00 may be assessed for any loose dogs not competing in the course in progress.

Persons exhibiting conduct detrimental to AKC/GCASHC/any dogs(s) and/or other person(s) will be asked to leave the trial site.

The event-hosting club, its agents, members, representatives, volunteers, etc, assume no responsibility for any loss, damage or injury sustained by exhibitors, handlers, or to any of their dogs or property and further assumes no responsibility for injury to children or spectators.

All rights to televise, videotape, advertise, photograph, promote or otherwise exploit this event are vested in the club, or in persons to whom assignments of such rights have been made in writing by the club. All persons and animals attending these shows grant the club the right to use their likeness and voice in any matter without further consent.

Entry fees submitted and accepted will be refunded in full if the withdrawal of said entries is requested by the dog's owner or agent prior to the closing deadline for entries. Requests must be made in person to the FTS. No refunds for pre-entry fees unless the entered dog upon inspection is lame, unfit to compete, or in season.

Females in season are NOT allowed on the site.

Late, incomplete, unsigned, unpaid or conditional entries, or entries not containing the "Agreement" found on the Official AKC Entry Form will not be accepted.

Substitution of dogs will be accepted at the time of roll call/inspection. Once inspection is complete, no further substitution will be allowable.

A return check fee of \$35.00 will be assessed for any check(s) returned for insufficient funds.
