

Scentwork Seminar

An evening with Penny Scott-Fox

A chance to prepare for the weekend trials and work your dog on all aspects of AKC Scent work. All odor classes will be covered up to Excellent in experience. This is a working seminar where the teams will work their dogs on trial preparation and odor problems.

Penelope Scott-Fox is one of the 'original' seven founding instructors of the National Association of Canine Scent Work and has judged and certified innumerable trials. She was the first Chief Search Designer and judge for United States Canine Scent Sports. Penelope's dog Turner competed in all of NACSW's National Invitationals until she passed last November. She won the 2015 trial in Colorado. Her dog Blaze is the first Nova Scotia Duck Tolling Retriever to earn his Elite CH title. Penelope has been instrumental in the creation, establishment, and spread of Scent Work in the United States, and AKC Scent Work is very lucky to have her expertise. Penelope is located in Altadena, California.

There are just 15 working spots available at \$125 and an unlimited number of Auditing spots at \$50.

Checks should be made payable to National Beagle Club of America and mailed to Gretchen Milke, 7285 Lakeside Road, Ontario, NY 14519
